PROF. DR. SHEFIK OSMANI - DISTINGUISHED SCHOLAR OF ALBANIAN PEDAGOGY

At this article we target two activities of honorable Professor: "Forever with Shefik"- a monography by Urti Osmani and "About seven publications" by Prof. Dr. Shefik Osmani.

First activity

On the first anniversary of death of Prof. Dr. Shefik, his wife Urti Osmani writes a book mainly about the family life of Professor. I met Professor when I was student. He was Head master and also taught us Pedagogy Teaching methods and endless studies shed light of his high scientific and pedagogical standards. The book consisting of 286 pages reflects the continuity of serious work, full of dignity done by Prof. Osmani brought with outmost care by his wife and collaborator Urti Osmani.

We are convinced -said the author- that who lives after the death belongs to history. The book contains seven chapters reflecting his responsibility on pedagogical and life phenomena.

It comes after forty books already published and highlights the emblematic diapason of honorable Professor. It includes particularly his many of his journeys after 90' on his communications with distinguished world personalities and institutions. Those include: Kosova, Italy, Rumania, Macedonia, Turkey, Switzerland, Germany, Holland, Iran, U.A.E, Belgium, Saudi Arabia, Egypt and Sweden.

Highly appreciated is also the wisdom of some personalities about Prof. Osmani and high linguistic and cultural standards of the author Urti Osmani.

Second activity

Out of forty publications of Prof. Dr. Shefik Osmani, seven of them are cited on: "Assessment on Prof. Dr. Shefik Osmani", Tirana, 2014, page 384.
