ABDULHAMIT KIRMIZI, FERID PASHË VLORA A LIFETIME STATE

The book of the turkish historian Abdulhamit Kirmizi, on the life and work of Ferid pasha Vlora, is a first class scientific work and at the same time the most detailed and important story written to date on this figure of Albanian and European proportions and importance and world.

Throughout the pages of the voluminous book, the author accompanies us masterfully in the greatness and vicissitudes of the life of one of the most important figures of the Albanian National Movement, traditionally known as the National Renaissance. In this presentation, the author clearly seems to be familiar not only with the history of the Albanians in this period, but also with the history of the Vlora family, as this is his second major study on the history of this remarkable chimney, after its publication in Turkish. today of the memories of Ferid Pasha's brother, Syrja bej Vlora.
